
GENERAL NOTICE

NOTICE 823 OF 2006**COMPENSATION FOR OCCUPATIONAL INJURIES AND DISEASES ACT,
1993 (ACT NO. 130 OF 1993)**

1. I, Membathisi Mphumzi Shepherd Mdladlana, Minister of **Labour**, hereby **give** notice that, after consultation ~~with~~ the Compensation Board **and** acting under the powers vested in me by section 97 of the Compensation for Occupational Injuries **and** Diseases Act, 1993 (Act No. 130 of 1993), I prescribe the scale of "Fees for Medical **Aid**" payable under section 76, inclusive of the General Rules applicable thereto, appearing in the Schedule to this notice, with effect from **1 April 2006**.
2. The fees appearing in the Schedule are applicable in respect of services rendered on or after **1 April 2006** and **Exclude VAT**.

M M S MDLADLANA
MINISTER OF LABOUR

19 May 2006

GENERAL INFORMATION / ALGEMENE INLIGTING.**(i) THE EMPLOYEE AND THE MEDICAL SERVICE PROVIDER**

The employee is permitted to choose freely his own service provider e.g. doctor, pharmacy, physiotherapist, hospital, etc. and no interference with this privilege is permitted as long **as** it is exercised reasonably and without prejudice to the employee himself or the Compensation Fund. The only exceptions **to this rule are** those **cases** where employers, with the Compensation Commissioner's **approval**, provide their own medical aid facilities in total, **i.e.** including hospital, nursing and other **services—section 78** of the Act refers.

In terms of section 42 either the Compensation Commissioner or an employer may send the injured employee to another doctor chosen by **him** (Compensation Commissioner or employer) for a special examination and report. Special fees are payable for this service. This examination and report is usually done only by specialists.

In the event of a change of doctors attending a case, the first doctor in attendance will, except where the case is handed over to a specialist, be regarded as the principal, and payment will normally be made to him. **To avoid disputes, doctors should refrain from treating a case already under treatment without first discussing it with the first doctor.** As a general rule, changes of doctor are not favoured, unless there are sufficient reasons therefore.

If an injured employee is in need of emergency treatment, the doctor should act in the same manner as he would to any patient who needs his urgent help. He should not, however, **ask** the Compensation Commissioner to authorise such treatment before the claim has been admitted **as** falling within the scope of the Act.

It should be remembered that an employee seeks medical advice at his **own** risk. If, therefore, an employee represents to his medical service provider that he is a Compensation for Occupational Injuries and Diseases Act case **and** yet fails to claim the benefits of the Act, leaving the Compensation Commissioner, or his employer, in ignorance of any possible grounds for a claim, **the** insurance fund concerned cannot accept any responsibility for any medical expenses incurred if the claim is not reported in the prescribed manner. The Compensation Commissioner can also have reason not to accept the claim lodged against the Fund. In such circumstances the employee would be in the same position **as** any other member of the public as regards payment of his medical expenses.

The amounts published in the tariff for COIDA for medical services are calculated without VAT. The only exclusion **is** die "per diem" **tariff** for Private Hospitals, that includes VAT. The account for services rendered will be assessed and calculated without VAT. If VAT is applicable and a VAT registration number was indicated, it will be calculated and added to the payment without being rounded **off**

**CLAIMS WITH THE COMPENSATION FUND ARE PROCESSED AS
FOLLOWS •**
